

# Never leave your child alone in a car.

Your car heats up faster than you think. Help reduce the number of deaths from heatstroke by remembering to ACT.

**A:** Avoid heatstroke-related injury and death by never leaving your child alone in a car, not even for a minute.

**C:** Create reminders by putting something in the back of your car next to your child such as a briefcase, a purse or a cell phone that is needed at your final destination.

**T:** Take action. If you see a child alone in a car, call 911.
